Ps

6. Agree to the trial conditions and, finally, click “Download”.

7. Once the download is complete, double-click the downloaded files to start the installation.

Note: Depending on your browser settings, you will find downloaded files in the Download folder or in the folder you selected to save downloaded files.

8. Once installation is complete, launch **Adobe Photoshop**.

Congratulations! Now you are completely ready to go! Good luck in gaining new knowledge and experience!
